During the remainder of 2024, the corporate library will be supplemented with more than 100 further documents including a shareholders' agreement, business/asset sale and purchase agreement and common court application documents including reductions of capital, schemes of arrangement, rectification of the register of members and late registration of a charge.

Other areas covered will include:

- Incorporation
- PSC notices
- Director appointment, removal and remuneration, director loans and substantial property transactions
- Member decision-making packs covering general meetings, written resolutions and requisitions
- Capital maintenance and company distributions
- Statutory squeeze-out
- Contractual documents including deeds of assignment and novation
